

PFA Making NCHS Beautiful

NCHS

BEAUTIFICATION

What we found

Our Goals

- Improve the appearance of NCHS with new projects like banners, bike racks and flower beds
- Improve maintenance of exterior of NCHS
- Install Landscape and Irrigation;
 - Phase I \$35,000 installed in Spring 2016
 - Phase II \$30,000 installed as funds are available
- Maintain new landscape installation

Before & After

NCHS

Proposed Landscape with Irrigation-Phase I

- Balance scale of building
- Create friendlier approach
- Multi season interest
- Low maintenance
- Longevity of design

Proposed **Planters** with irrigation

- Create a welcoming entrance
- Multi season interest
- Low maintenance

Proposed Landscape with Irrigation-Phase II

- Balance scale of building
- Low maintenance
- Evergreen plantings to soften hardscape

Key Considerations

- Begin maintenance for several areas around NCHS including new installations
- Parent volunteer to be included in committee with various departments to coordinate maintenance around NCHS
- Beautification Committee will work with volunteers such as Boy Scouts, NCHS Garden Club and NCHS SLOBS to supplement garden and grounds maintenance
